

Notice and Opportunity to Comment

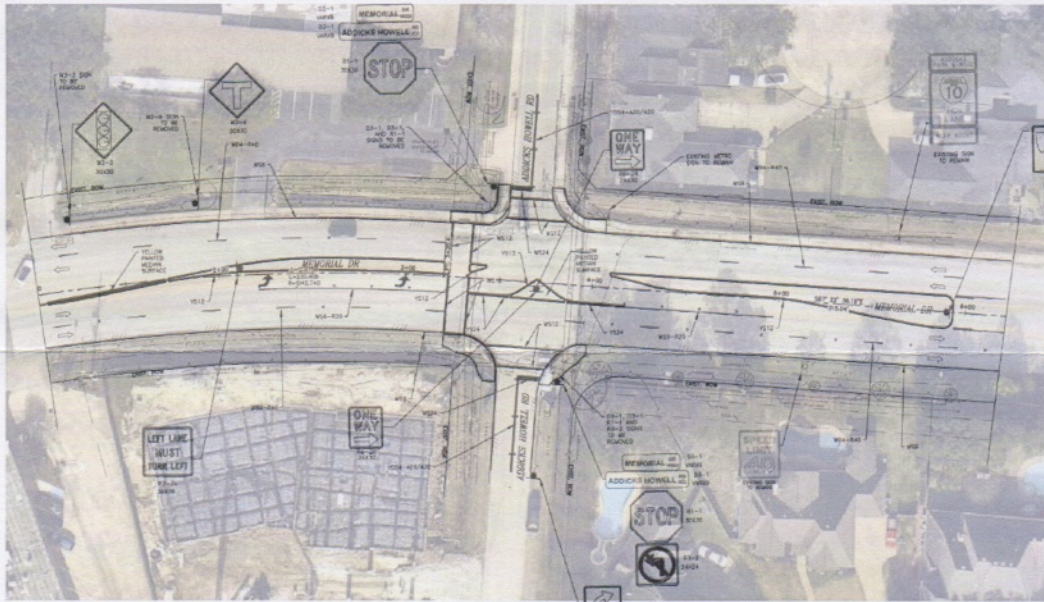

Memorial Dr and Addicks-Howell Rd

CSJs: 0912-72-642, 0912-72-638

June 9th, 2023

The City of Houston, in cooperation with Texas Department of Transportation (TxDOT), is proposing to construct a median on Memorial Dr at the intersection with Addicks-Howell Rd. You are receiving this notice because records indicate that you either: own property that is adjacent to the project; own property near the project location; or live near the project location. The proposed improvement is shown in the figure below.

Memorial Dr and Addicks-Howell Rd Safety Improvements

This street improvement project will alter the intersection of Memorial Dr and Addicks-Howell Rd to facilitate safe pedestrian crossings and safe turns off of and on to Memorial Dr by constructing a median with channelization for vehicle turns and pedestrian refuge islands. All vehicle movements will remain possible except for north bound left turns from Addicks-Howell Rd onto Memorial Dr, which will be restricted. These improvements will include sidewalks and pedestrian ramps. The proposed project will take place entirely within existing right of way. No residential or non-residential displacements are anticipated.

Additional project information is available at www.engagehouston.org/hsip-memorial-addicks-howell. All environmental documentation or studies, maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project that are not available online are on file and available for review Monday through Friday by appointment between the hours of 8 a.m. and 5 p.m. at 611 Walker St, 14th Floor, Houston, TX 77002.

If you need interpretation, translation or assistance reviewing any documents or information, please contact the Houston Public Works Safe Streets team at 832-395-3277. Advance notice is required as some services and accommodations may require time for the City of Houston to arrange.

This notice is an opportunity to comment as part of the environmental review process for this project. You may submit comments on this project via mail, email, or on the project webpage. Written comments may be submitted by email to safestreets@houstontx.gov or by mail to HPW Multimodal Safety and Design, Safe Streets Team, C/O Virginia Lynn, 611 Walker St, 14th Floor, Houston, TX 77002. You may leave a comment on the dedicated project webpage at www.engagehouston.org/hsip-memorial-addicks-howell. All comments must be received on or before Wednesday, June 28th, 2023.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT

If you have any general questions or concerns regarding the proposed project, please contact our team at Safestreets@houstontx.gov or by using the project page at www.engagehouston.org/hsip-memorial-addicks-howell.
